

KRISHNAGAR WOMEN'S COLLEGE

Established in 1958
(Government Sponsored)

-: A Special Camp at Nicher Para Adarsha Samaj Primary School :-

A Special Camp at Nicher Para Adarsha Samaj Primary School, P. W. D. More, Krishnagar, Nadia, was arranged by NSS Unit, Krishnagar Women's College in the first week of January, 2018. The NSS volunteers of this college conducted a socio-economic survey in the slum area adjacent to the school. All the students of the Primary School reside in this slum. So this survey reflects the socio-economic status of the students of the school. The unit also arranged for a health check up of the Primary School students in this camp. Dr. Supriyo Nath of Nabadwip State General Hospital participated in this health check up programme. The volunteers distributed copies, pencils, erasers and winter garments among the poor students of the school. They also organized a Cleaning Drive Programme there.
