

NSS unit of Krishnagar Women's College

Report of the Year 2021-22

1.Observation of Communal Harmony Day 22nd and 23rd November 2021

Krishnagar Women's College celebrated Communal Harmony Day on 22nd and 23rd November 2021, organized by the National Service Scheme (NSS) unit of the college. The event witnessed the participation of more than 150 students who pledged to promote and spread awareness about communal harmony.

The aim of the event was to promote unity and brotherhood among people of different religions and backgrounds.

During the event, the students also took a pledge to promote communal harmony and work towards creating a society where people of different religions and cultures can coexist peacefully. The pledge highlighted the importance of respecting diversity and building bridges of understanding and cooperation among people of different backgrounds.

The Communal Harmony Day event in Krishnagar Women's College was a huge success, with the active participation of the students and the NSS unit. The event helped in spreading awareness about the importance of communal harmony and promoting a culture of peace and unity among the younger generation by a unity march around the college campus and surrounding locality with banners for promoting communal harmony. It was a step towards building a better and more inclusive society where everyone can live together in harmony and understanding.

2.Clean Campus Drive 16th December 2021

On 16th December 2021, the National Service Scheme (NSS) unit of Krishnanagar Women's College organized a Clean Campus Drive on the college premises. The event was conducted with the aim of

promoting cleanliness and hygiene in the college campus and raising awareness among the students about the importance of keeping their surroundings clean.

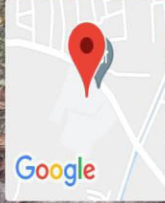

The event witnessed the participation of 30 NSS volunteers who actively participated in the drive. The volunteers were divided into groups and were assigned different areas of the college campus to clean. They were provided with cleaning equipment such as brooms, dustbins, gloves, and masks, to ensure safety and hygiene.

The NSS volunteers started the drive early in the morning and worked tirelessly to clean the entire college campus. They picked up litter, removed fallen leaves and branches, and cleaned other areas of the college. They also painted the dustbins to give a fresh look to the campus.

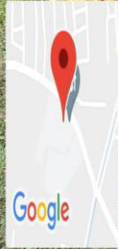

The Clean Campus Drive in Krishnagar Women's College was a huge success, with the active participation of the NSS volunteers. The event helped in promoting a sense of responsibility among the students towards their surroundings and fostering a culture of cleanliness and hygiene in the college campus. It also helped in promoting a healthy and safe environment for the students and staff members.

Overall, the Clean Campus Drive was a positive step towards creating a clean and green campus and promoting a sense of social responsibility among the students.

3.National Girl Child Day 23rd Jan to 29th January 2022

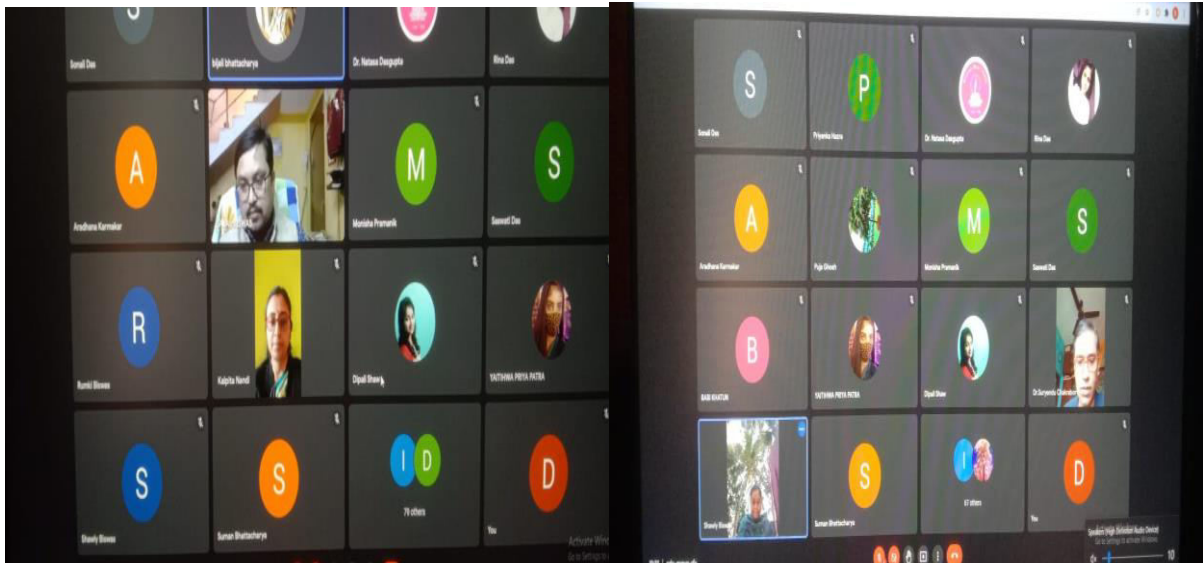

The National Service Scheme (NSS) unit of Krishnagar Women's College organized an online webinar on National Girl Child Day and Martyrs Day on 29th January 2022. The event aimed to honour the sacrifices of our martyrs and also raise awareness about the challenges faced by a girl child in our society.

As resource persons, Sri Suman Bhattachary (Assistant Professor, Department of Bengali) and Smt. Bijali Bhattacharya (Associate Professor, English Department) were invited to enlighten our students.

The online webinar was organized and more than ninety students and faculty members eagerly participated. The resource persons highlighted the importance of educating and empowering the girl child and discussed various issues such as gender discrimination, child marriage, and access to education.

The event also included a panel discussion where the participants had the opportunity to interact with the resource persons and ask questions related to the topic. The panel discussion was a productive and informative session, providing valuable insights and perspectives on the topic.

Following the online webinar, the NSS volunteers of Krishnagar Women's College conducted a week-long survey from 23rd January to 29th January 2022 in their locality on “Girl Child conditions in my neighbourhood” and shared their thoughts during the program. The survey aimed to gather information about the current status of girl child education in the community and identify the challenges faced by the girl child in accessing education.

4.Clean Campus Drive 18th February 2022

Title: Campus Cleaning and Dustbin Installation Report

Date: 18th February 2022

On 18th February 2022, a group of NSS (National Service Scheme) volunteers from Krishnagar Women's College undertook a campus cleaning initiative and installed six dustbins across the college premises. The primary objective was to promote cleanliness and install dustbins, to create a sense of responsibility among students towards maintaining a clean and hygienic environment.

The NSS volunteers divided themselves into teams and started the campus cleaning activities early in the morning. They targeted various areas such as classrooms, corridors, library, cafeteria, and open spaces. Armed with brooms, dustpans, mops, and cleaning agents, they meticulously cleared the surroundings, ensuring that every nook and corner was attended. The volunteers collected the waste in large garbage bags for proper disposal.

In addition to the cleaning drive, the NSS volunteers identified key locations within the college campus where dustbins were needed. After consulting with college authorities and obtaining necessary permissions, they installed six dustbins strategically to facilitate proper waste disposal. These dustbins were strategically placed at high-traffic areas, including entrances, cafeteria, and common gathering spots.

To maximize the impact of the initiative, the NSS volunteers conducted awareness and sensitization sessions during the cleaning drive. They interacted with students, staff, and faculty members, emphasizing the importance of cleanliness and responsible waste

management. They highlighted the adverse effects of littering and encouraged everyone to dispose of waste in the designated dustbins. The volunteers also distributed informative pamphlets and posters to reinforce the message.

The campus cleaning and dustbin installation drive organized by the NSS volunteers of Krishnagar Women's College successfully created awareness and generated a positive impact among the college community. The efforts helped in instilling a sense of cleanliness and responsibility towards the environment. The newly installed dustbins provided convenient options for waste disposal, reducing littering significantly.

The campus cleaning and dustbin installation initiative undertaken by the NSS volunteers of Krishnagar Women's College on 18th February 2022 served as an important step towards creating a cleaner and healthier campus environment. The efforts of the volunteers in promoting cleanliness and waste management will have a lasting impact on the college community, fostering a culture of cleanliness and environmental consciousness.

5.NSS Annual Camp 7th to 13th March 2022

The NSS unit of KWC also conducted an annual camp in Nicher Para area. The Camp lasted for 7 days. Volunteers were divided into equal groups and tasks were assigned to them accordingly. Activities undertaken during the camp -

Day one focused on General Survey of the area and to understand the basics of their needs. Day two was to propagate the awareness for girl's education. Our team went from door to door convincing the parents to give their girl child proper education and stop Child Marriage. People were also made aware of a clean environment. The Volunteers exhibited posters in front of the students of Nicher Para Primary school related to Covid awareness and its new variant Omicron.

Day Three focused on nutrition and proper health conditions to be followed by all. Day four targeted for a clean environment and was named as 'Clean Area Project'. The camp was concluded with a sports and a concluding session on wellness and wellbeing.

The camp was a huge success. All volunteers enjoyed it very much and we are looking forward to participate in such events in near future.
