About the College: Few Words

“Atmagyandipobava” - Be your Own Light of Knowledge

Krishnagar Women's College, founded in 1958, owes its inception to the influx of women from erstwhile East Pakistan who were in need of education after India wins back its freedom. The urge felt by the educated circle of Krishnagar led to the establishment of this one and only College for women in the district that initially started its academic journey in Krishnagar Government College and then shifted to an old building located in Basanta Chatterjee Lane. Soon, the construction of the present College building started with the financial assistance from West Bengal Government under the able leadership of its first founder Principal, Professor Dipti Bose. Since then the College is marching forward with the sole intention to impart quality education to a cross-section of women most of whom are first-generation learners and hail from the marginalized section of society. The College was first affiliated to Calcutta University and it came under the aegis of Kalyani University in 2000. The College has been accredited by NAAC first with a grade of B++ and with a B+ in its second cycle.

The Institution has a number of infrastructural facilities to offer to the students an eco-friendly beautiful green campus of 3.9 acre in the heart of the city, dedicated teachers, 24×7 CCTV surveillance, a well-stocked automated Library with e-journals and OPAC

facility, well equipped Science Laboratories, Classes with ICT tools, Computer Laboratory, Free Wi-Fi, Cheap Canteen, providing hygienic food, safe and pure drinking water, cycle stand, toilet for differently abled persons, clean Hostel for students, expansive playground and attractive sports facilities and a medicinal plant garden.

The Institution offers Honours Courses in ten subjects at undergraduate level in the faculty of Science (Chemistry, Mathematics, Geography, and Economics), Literature (Bengali, English and Sanskrit) and Humanities & Social Sciences (History, Political Science and Philosophy) respectively. It emphasizes on regular class teaching complemented with special lectures by eminent faculty members and inter-departmental lectures throughout the year. The students can access a number of e-journals for academic purpose under the guidance of their teachers. Additionally, A variety of add-on certificate courses, Study tours, Seminars and workshops are offered to the students to add extra edge to their domain of knowledge. The College has signed MoU with few neighbouring Colleges and Kanyashree University and is engaged in various collaborative projects.

As an outcome of the discipline and regular theoretical and practical classes, class tests, the students do fairly well in University examinations, sometimes scoring highest marks in some subjects.

The college Library has more than 27,000 books. Students can also access 6293 e-Journals and 195809 e-Books under N-LIST programme of UGC-INFLIBNET. Library is fully automated by Integrated Library Management Software (ILMS) “KOHA”.

To encourage students from the marginalized sections of society, various scholarships like Kanyashree, Aikyashree, Swami Vivekanada Merit cum Means and others, have been floated by the State Government and the students get all the supportive help from the dedicated staff while applying for the scholarships and Students Credit Card through online portal.

The College has a vibrant career counseling and placement cell to empower students in their journey towards career growth. The cell arranges various training programmes, mostly free of cost, to enhance communicative skill and ICT skill of the students. We also offer few regular courses for skill enhancement and capacity building of our students. Currently, we are running an app based certificate course on communicative English offered by British Council Library. This year we have planned to introduce a certificate course on Computer offered by WEBEL. The College also maintains an online job portal to prepare students for competitive examinations. From this year we will also offer short term vocational training to our students.

Hostel is an integral part of the college. Students coming from distant parts of the district as well as from outside the district can find accommodation in the College Hostel located inside the campus at a cheap rate. It is completely safe and secure with three full time Hostel employees and other staff to take care of the boarders.

The College is committed to imparting a holistic development of the students by encouraging them to take part in various co-curricular and extension activities and their achievements in this field are recognized in the Annual Prize Distribution Ceremony. A variety of programmes organized by the Cultural and Magazine Sub-Committee, like observation of days of National and International importance are a regular feature of the institution. Publication of departmental wall magazines and College magazine helps the students to see their own writings in print for the first time.

College believes that physical exercises, recreational activities and sports are an integral part of education. Annual sports of the college are conducted regularly. Additionally, we have planned to offer short term courses on Yoga and for self defense from this session.

We also take care of mental and physical health of our students. They can avail free of cost treatment and medicine from Students Health Home centre near our College. We also arrange health check up camps in the campus on regular basis.

NSS unit of the College monitors our environment-friendly campus and provides students with the ambience necessary at a centre for teaching and learning. The NSS Volunteers are actively engaged in outreach programmes viz. adopting slum area, conducting survey in the surrounding villages, organizing seminars ,distributing essentials among the children of the adopted village and organizing a health-check up camp for them.

Ragging is strictly prohibited in the College and the hostel. Besides, College has set an Internal Complaint Committee (ICC) and Grievance Redressal Cell care where students may lodge complaint if they have any and it is addressed with extreme care.

The College has the legacy of having eminent academicians and renowned personalities at its helm to frame policy for overall academic and infrastructural development of the College. At present the College is run by a Governing Body headed by an acclaimed academician,Sri Siddhartha Majumdar, Chairperson, West Bengal School Service Commission and Associate Professor, City College, Kolkata. The Principal, Dr.Natasa Dasgupta, a renowned academician and an accomplished social personality, is empowered to implement the decisions taken by the Governing Body. Apart from the Governing Body, IQAC plays an important role in working closely with the faculties to create an effective teaching-learning environment with a view to reach the goal of the institution.

Office of the Krishnagar Women’s College is equipped with the “College Automation System (C.A.S 7.1 Version)” and is aimed to provide easy, automated and hassle free services to its students with several wings of the office.

Krishnagar Women’s College, once established to cater to the need of the post -partition displaced girls is now serving as a multifaceted centre for empowerment of girls. Projects like installation of solar panel, Water ATM under Sajal Dhara Prakalpo, Rain water harvesting system and introduction of two new courses are in the pipeline. Challenges are many and in spite of that, we envisage to take this only Women’s College in the district to a new era of emancipation, academic and creative excellence.

NSS UNIT

The National Service Scheme (NSS) has been established to create a meaningful link between the college and society. Apart from students' quality education, Krishnagar Women's College also aims to the community's well-being and social service. The NSS Unit of the college works to fulfill these dedicative aims of the institution. The Unit is kept alive by the enthusiasm of student volunteers who devotedly participate in various social service programmes organized by the NSS Unit. The teaching members of the Unit have also contributed to the constant growth of service orientation. We have a 100-strong volunteer team that is extremely dedicated.

Objectives:

- Understand the community in which they work.
- Understand themselves in relation to their community;
- Identify the needs and problems of the community and involve them in the problem-solving process.
- Develop among themselves a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solutions to individual and community problems,
- Develop the competence required for group-living and the sharing of responsibilities;
- Gain skills in mobilizing community participation;
- Acquire leadership qualities and a democratic attitude;
- Develop capacity to meet emergencies and natural disasters.
- Practice national integration and social harmony.

The Motto:

"NOT ME BUT YOU" is the National Service Scheme's motto or watchword. This embodies the essence of democratic living and emphasizes the importance of unselfish service, respect for the other's point of view, and care for fellow humans. It also believes that an individual's well-being is ultimately dependent on the well-being of society as a whole. As a result, the NSS should make it a goal to live up to this credo in its daily activities.

Code of Conduct for Students

Krishnagar Women's College, being the only College for women in the district, maintains a well-drafted code of conduct that aims to set parameters for academic excellence and fulfilling the stated mission and vision of the institution. It acts as a guide for the stakeholders, the students being one of the most important parts of the institution. Once admitted; the students are to follow the rules and regulations of the institution in order to maintain academic discipline inside the campus as well as outside the campus. They become aware of what is expected of them and the Dos and Dont's as outlined by the institution.

*Admitted students must abide by the University directive regarding attendance (more than 75%) in classes, failing which they will not be allowed to sit for Semester-end Examination.

* Students must wear their Identity Cards issued by the College authority inside the College. Identity Cards are also required at the time of borrowing books from the library.

*Ragging in any form is strictly prohibited in the College campus as well as in the Hostel. Anti-ragging Guidelines issued by UGC are enforced and it is mandatory that students sign and submit the Anti-Ragging Declaration Form at the beginning of the session. They can report any incident of ragging to the Anti-Ragging Cell of the College.

*Students are not allowed to adopt any unfair means at the time of examination.

* Students are not allowed to loiter in the corridors.

* Use of Cell phones during class lectures and in the examination hall is strictly prohibited.

*Students are expected to follow the College Notice Board as well as the College Website for notices and other academic information.

*Students should stay away from any act of violence that may disrupt the conducive atmosphere of the College. They should take note that the College campus including the Hostel area is under CCTV surveillance.

*Use of caste and religion-based discriminatory and derogatory remarks is an act of humiliation and indignity and it is strictly discouraged.

* Participation in the various cultural and extension activities organized by the College is mandatory for the students.

*It is expected of students that they should maintain a friendly relationship with their fellow students and behave respectfully with the Principal, teachers, librarians and non-teaching employees of the College.

CARRIER COUNSELLING

Career Counselling Cell of Krishnagar Women's College is always on hand to help its students "select the profession they would love." The Cell is crucial in locating work prospects for undergraduate students.

The career Counselling Cell of the College has a staff of dedicated professionals who are always willing to offer excellent advice for the benefit of the students. The Cell is highly connected with Private Companies, Educational organisations, and different non-academic government and non-government sectors to fulfill its principal goal to place students in reputable firms. The Cell has been assisting existing students in finding opportunities and employment.

The Cell also aspires to create a bridge between the worlds of work and education, making it mutually advantageous to the Institute's students. Every year, a number of companies are invited to the college to conduct student recruitment programmes. On regular basis, the cell also organizes numerous invited lectures by Career Counsellors to ensure that the willing students have a bright future and greater job opportunities.

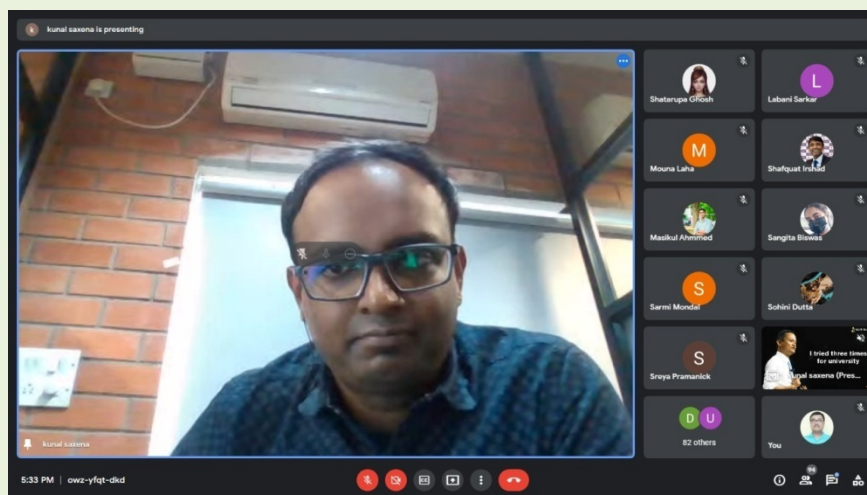

Objectives:

- To help students create a great future
- Raising student awareness of potential job alternatives and assisting them in determining professional goals.
- To provide job opportunities as well as information on various higher education programmes in India.
- To find eligible potential employers and assist them in achieving their employment objectives.
- To serve as a link between students, alumni, and potential employers.
- Organize campus recruiting for students with reputable companies and business organisations across India.
