**Report on
3-Day Online KOHA Training as Faculty Skill Enhancement
Programme**

Introduction

An Online Training Programme on “KOHA – Integrated Library Management System (KOHA-ILMS)” was organized for three days on 2nd June, 3rd June, and 6th June 2022 by the Krishnagar Women's College Library in collaboration with the Internal Quality Assurance Cell (IQAC). This training was part of the Faculty Skill Enhancement Programme aimed at enhancing the technical skills of the faculty members.

Training Details

- **Dates:** 2nd June 2022, 3rd June 2022, and 6th June 2022
- **Duration:** 2 hours each day
- **Platform:** Google Meet
- **Meeting Link:** Meeting Link: <https://meet.google.com/nqf-pstz-wjq>

The training was conducted by Sri Rajib Dutta, a technical expert on KOHA-ILMS from ‘Avior Technologies Pvt Ltd’. Avior Technologies is known for implementing KOHA-ILMS in various colleges across West Bengal.

Training Content

The training programme focused on the practical aspects of KOHA-ILMS, demonstrating its functionalities and how it can be effectively utilized in a library setting.

1. Introduction to KOHA-ILMS:

- Overview of KOHA as an Integrated Library Management System.
- Key features and benefits of using KOHA-ILMS.

2. Online Public Access Catalogue (OPAC):

- Demonstration on how users can search for documents or books online.
- Explanation of the search functionalities and filters available in OPAC.
- Benefits of OPAC for users, allowing access from any place at any time with internet connectivity.

3. Circulation System:

- Practical demonstration of the circulation process including issue and return of books.
- Management of borrower accounts and transactions.
- Handling overdue books and fines within the system.

4. Report Generation:

- Creating various types of reports through KOHA-ILMS.
- Utilizing reports for better library management and decision-making.

Outcome

The training provided the faculty members with a comprehensive understanding of KOHA-ILMS. They learned how to effectively manage library resources, streamline operations, and improve user experience through the online catalog. The practical demonstrations equipped them with the skills to handle day-to-day library tasks efficiently.

Feedback

Participants appreciated the detailed and practical approach of the training. They found the sessions to be informative and valuable for their professional development. The use of Google Meet allowed for an interactive and engaging learning environment.

Conclusion

The 3-day online training on KOHA-ILMS was a successful initiative under the Faculty Skill Enhancement Programme. It enhanced the technical competencies of the faculty members, enabling them to leverage KOHA-ILMS for better library management. Such training programmes are essential for continuous professional development and ensuring that faculty members are equipped with the latest technological tools in library science. Report on World Environment Day Celebration, 2022

Introduction

In celebration of World Environment Day on 6th June 2022, the Department of Geography, in collaboration with the NSS unit of Krishnagar Women's College and Kanyashree University, organized a special lecture focused on 'Rain Water Conservation'. The focal theme of World Environment Day 2022 was 'Save the Water of Rain/Don't Let it to Drain', emphasizing the importance of rainwater conservation.

Event Details

- **Date:** 6th June 2022
- **Time:** 6:00 PM onwards
- **Platform:** Google Meet
- **Meeting Link:** <https://meet.google.com/guv-kvko-phc>

Resource Person

Dr. Debashis Sengupta, Dean of Studies, Applied Statistics, ISI, Baranagar, served as the resource person for the lecture. Dr. Sengupta is a distinguished academic with extensive knowledge and experience in the field of statistics and environmental studies.

Participation

A total of 107 students actively participated in the lecture session. The event was well-attended, reflecting the keen interest of the students in environmental issues and rainwater conservation.

Lecture Overview

The lecture session commenced at 6:00 PM with an introduction to the theme of World Environment Day 2022. Dr. Sengupta then delivered an insightful and comprehensive lecture on various aspects of rainwater conservation.

1. Importance of Rainwater Conservation:

- Dr. Sengupta highlighted the critical importance of conserving rainwater as a sustainable water resource.
- He discussed the growing water scarcity issues and the need for effective rainwater harvesting methods.

2. Techniques and Methods:

- Various techniques for rainwater harvesting were discussed, including rooftop harvesting, surface runoff harvesting, and recharge pits.
- Practical examples and case studies were presented to illustrate successful implementations of rainwater conservation methods.

3. Benefits of Rainwater Harvesting:

- The lecture emphasized the benefits of rainwater harvesting such as reducing dependence on groundwater, mitigating urban flooding, and enhancing water availability during dry periods.

4. Interactive Session:

- The session was highly interactive, with students actively participating and asking questions.
- Dr. Sengupta addressed various queries from the students, making the session engaging and informative.

Poster Competition

In addition to the lecture, a poster competition was conducted on themes such as rainwater harvesting, restoration of rivers, and groundwater recharge. The competition encouraged students to creatively express their ideas and understanding of water conservation.

Themes:

- Rainwater Harvesting
- Restoration of Rivers
- Groundwater Recharge

Outcome and Feedback

The special lecture on 'Rain Water Conservation' was a successful event that raised awareness among students about the critical issue of water conservation. The participants found the session to be highly educational and engaging. The interactive nature of the lecture allowed students to gain a deeper understanding of the topic.

The poster competition further reinforced the learning experience, allowing students to showcase their creativity and knowledge. The event concluded with a vote of thanks, expressing gratitude to Dr. Sengupta for his valuable insights and to all participants for their active involvement.

Conclusion

The special lecture organized for World Environment Day 2022 was a commendable initiative by the Department of Geography, NSS unit of Krishnagar Women's College, and Kanyashree University. It successfully highlighted the importance of rainwater conservation and inspired students to contribute to sustainable water management practices.

The flyer is divided into several sections. At the top left, a yellow banner reads 'RAIN USE FOR WATER LIFE' with an illustration of a water drop. Below it, the focal theme is 'Save the Water of Rain Don't Let It To Drain'. The patron is Prof. Dr. Mita Banerjee, Vice-Chancellor of Kanyashree University & Murshidabad University, and Dr. Natasa Dasgupta, Principal of Krishnagar Women's College. Programme coordinators are Jayashree Mandal, Head of Dept. of Geography, and Dipali Shaw, NSS Prog. Officer, Krishnagar Women's College.

At the top right, a green banner says 'Welcome to Celebrate World Environment Day, 2022', organized by the Department of Geography and NSS Unit, Krishnagar Women's College, in collaboration with Kanyashree University, Krishnagar, Nadia, on 5th June 2022 at 6pm on Google Meet Platform. An image shows a hand holding a globe.

The middle section, 'Programme Schedule', lists an inaugural speech and a special lecture on Rain Water Conservation by Dr. Debashis Sengupta, Dean of Studies, Applied Statistics, ISI, Baranagar, followed by students' interaction and valediction.

At the bottom right, a green box titled 'All the students are invited to participate in POSTER COMPETITION on' lists topics: Rain Water Harvesting, Water Conservation, Groundwater Recharge, and Restoration of River. An image shows a hand planting a seedling.

At the bottom left, a circular logo features water droplets and the text 'WATER IS LIFE'.

Theme for World Environment Day 2023

The theme for World Environment Day 2023 focused on solutions to plastic pollution under the campaign #BeatPlasticPollution. The global issue of plastic pollution was addressed, highlighting how plastics clog landfills, leach into oceans, and release toxic fumes when burned. The campaign showcased scientific solutions and encouraged individuals to adopt sustainable practices to reduce plastic waste.

Highlights of the Lecture Series

- **Interactive Sessions:** Each lecture included a Q&A segment where participants could engage with the speakers, fostering a lively and interactive environment.
- **Awareness and Education:** The lectures provided valuable insights into environmental issues and practical solutions, raising awareness among participants.
- **Community Involvement:** The discussions emphasized the importance of community action and individual responsibility in tackling environmental challenges.

Feedback

Participants found the lecture series highly informative and inspiring. The diverse range of topics and expert speakers provided a comprehensive understanding of various environmental issues and sustainable practices. The virtual format allowed for broad participation, with attendees expressing their appreciation for the opportunity to engage with experts in the field.

Conclusion

The Special Lecture Series organized by the Department of Geography and the Department of Philosophy at Krishnagar Women's College, in collaboration with IQAC, was a successful event that significantly contributed to the observance of World Environment Day 2023. The series not only raised awareness about critical environmental issues but also inspired participants to take actionable steps towards sustainability. The event demonstrated the college's commitment to environmental education and community engagement.

About the theme

The theme for World Environment Day on 5 June 2023 will focus on solutions to plastic pollution under the campaign **#BeatPlasticPollution**. The world is being inundated by plastic. Today, plastic clogs our landfills, leaches into the ocean and is combusted into toxic smoke, making it one of the gravest threats to the planet. The good news is that we have science and solutions to tackle the problem. World Environment Day 2023 will showcase how every individual should learn the use of plastic, for a sustainable planet.

The collaborative efforts of the Department of Philosophy, IQAC, and ICPR, along with the enthusiastic participation of the college community, ensured the event's success and left a lasting impact on all attendees.

**A Summary Report
On
National Education Policy 2020 in Higher Education**

16th September 2022

Organised by
Internal Complaint Committee, Krishnagar Women's College
In collaboration with Assannagar M.M.T. College

Dr. Maya Biswas(Sinha)
Convenor, IQAC
Associate Professor
Department of Chemistry

Dr. Natasa Dasgupta
Chairperson, IQAC
Principal
Krishnagar Women's College

Internal Quality Assurance Cell of Krishnagar Women's College organized a seminar on 16th September 2022 on '**National Education Policy 2020 in Higher Education**' with a view to address the burning issues of new education policy which was approved Union Cabinet on 29th July 2020. The seminar was continued for three hours from 1.00 pm to 3.30 pm. We have seen that there is massive discussion and debate on national education policy in civil society organisation, academic organisation, researchers and in political levels. There are lot of expectations because of previous national policy of education back in 1986.

NEP discusses content, modalities, infrastructure and support services for academic excellence from early childhood to till the post doctorate research. The policy emphasizes integrating vocational education into all school, colleges and Universities this is major highlight, which is not only pedagogy but also emphasis on skill and job ready ness. It highlights the need for adult education, promotion of Indian language and transformative education.

The session was inaugurated by Dr. Natasa Dasgupta, Principal, Krishnagar Women's College. Smt. Kalpita Nandi, Assistant Professor of Philosophy and member of Internal Quality Assurance Cell, introduced Dr. Ashok Das, Principal, Assannagar MMT College. He also delivered a short speech on NEP 2020. The no. of participants was 40.

Figure 2: The audiences

Our Principal Madam facilitated the distinguished speaker, Dr. Mita Bandyopadhyay, V. C of Kanyashree University, V.C of Murshidabad University (Additional Charge) and former V.C of West Bengal University of Teachers Training Education, Planning and Administration with a bouquet of flower and memento. Then Dr. Maya Biswas (Sinha), Coordinator, IQAC facilitated another speaker, Dr. Suryendu Chakraborty, Assistant Professor of English, Krishnagar Women's College.

Figure 3: (a) Felicitation to Dr. Mita Bandyopadhyay, VC, Kanyashree University, (b) Felicitation to Dr. Suryendu Chakraborty, Assistant Professor of English, Krishnanagar Women’s College, (c) Snapshot of the programme.

The salient points which have learnt from deliberations of our speakers are:

- A move towards multidisciplinary HEIs, with more emphasis on local culture and language;
- A move towards Institutional and faculty autonomy;
- Revamping of curriculum and exam patterns;
- ‘Light but tight’ regulation by a single regulator for HE
- Added encouragement for SEDGs
- To go beyond the four walls of the classroom and create a digital space for holistic growth.
- To increase GER from 26.3% to 50% by 2023.
- Reintroduction of 4 years multi-disciplinary bachelors’ program with multiple entry and exit options and the academic credits which he or she earned from various HEI will be stored in Academic Credit Bank, including credits earned from SWYAM, ODL or another online portal.
- Flexibility to institution to offer different design for Master’s program.
- Massive Open Online Course (MOOC) will be given special preference. Open and Distance Learning (ODL) also will be covered under NAAC
- Examination can be replaced by comprehensive and continuous evaluation process.
- Teacher can access, create and upload digital resources in Govt. education portal.
- Discontinuation of MPhil program that create major controversy.
- For energized and capable faculty, the NEP 2020 has to establish National Research Foundation (NRF), for funding research proposals through rigorous peer review, at all Universities and colleges creating beneficial linkages among government industry and researchers. Department of Science and Technology (DST) and Indian Council of Social Science Research (ICSSR) funding agencies will also function in addition to NRF.
- Sharing internet-based resources.
- Blended learning through 20-30% online education, 20% teacher student face to face learning and another 50% by direct field reality so that their job ready.
- Broadband connectivity for marginalised students.
- Integration of skilled training in the existing educational system.
- Recommendation for internship in local industry, businessman craftsman, musician etc.

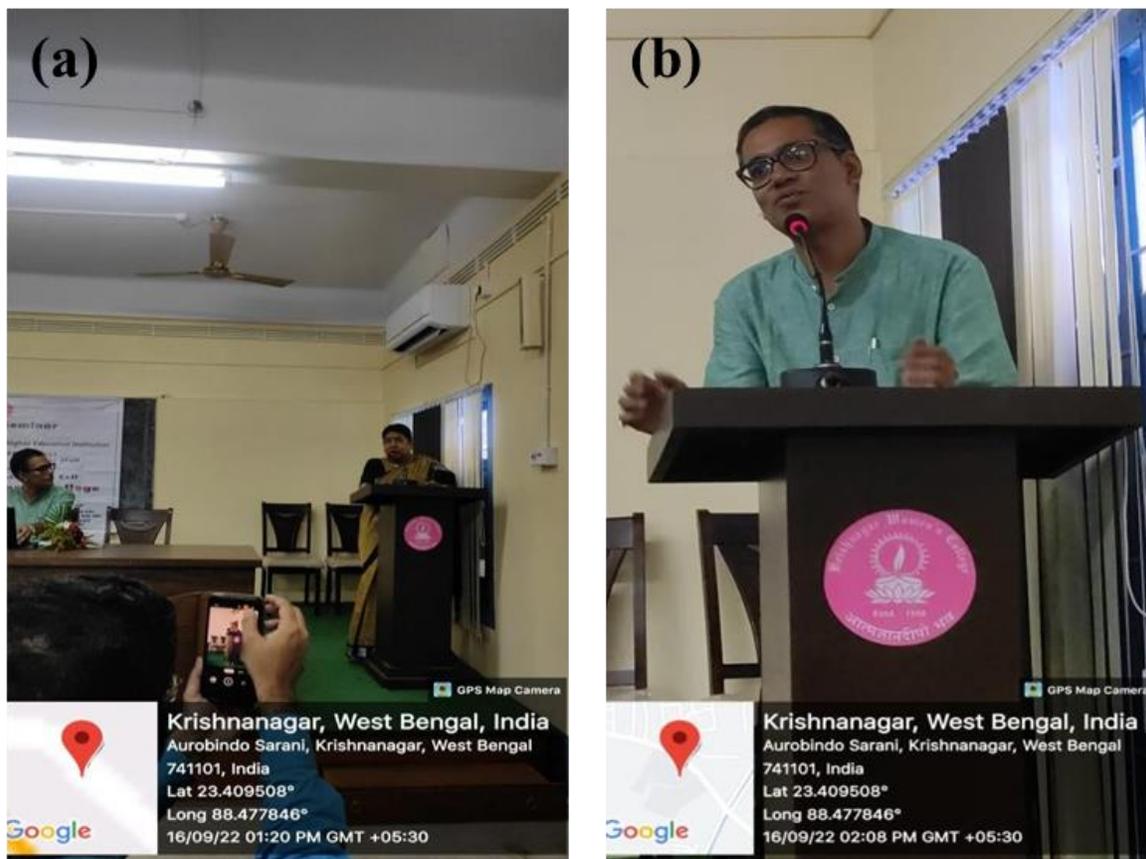

Figure 4: (a) Resource person Dr. Mita Bandyopadhyay VC, Kanyashree University, (b) Resource person Dr. Suryendu Chakraborty, Assistant Professor of English, KW College

Both of them highlighted the important issues with clarification and this will help us to allay our doubts and complexities. The new education policy is very exhaustive and will take some time to understand its full content. Debate and discussion from time to time will make the issue comprehensible. The programme was highly applauded by the audiences. The speakers gave their justified answers as few questions raised by audiences.

The Programme ended with a vote of thanks given by Maya Biswas (Sinha), Coordinator, IQAC to the Principal, the Resource persons and the audiences.

One day workshop on “Sudden Hazard Hands-on first aid training to deal with situations” And special talk on Menstruation Hygiene and Nutrition

Introduction

On 22nd November 2022, Krishnagar Women’s College, in collaboration with Students Health Home, Krishnagar, organized a one-day workshop titled “Sudden Hazard Hands-on First Aid Training to Deal with Situations” and a special talk on "Menstruation Hygiene and Nutrition." The workshop was conducted in room no. 7 and commenced with a welcome address by the Principal, Dr. Natasa Dasgupta.

Event Details

- **Date:** 22nd November 2022
- **Time:** 10:00 AM onwards
- **Venue:** Room No. 7, Krishnagar Women’s College
- **Collaborators:** Students Health Home, Krishnagar

Welcome Address

The workshop began with a warm welcome address by the Principal, Dr. Natasa Dasgupta. She emphasized the importance of first aid knowledge and menstrual hygiene for the well-being of the students and highlighted the college's commitment to holistic education and health awareness.

First Aid Training Session

The first part of the workshop focused on hands-on first aid training. The coordinator from Students Health Home delivered a theoretical lecture, providing an overview of common sudden hazards and the importance of timely first aid. This was followed by practical demonstrations of first aid techniques, including:

- CPR (Cardiopulmonary Resuscitation)
- Treatment for cuts and burns
- Handling fractures and sprains
- Dealing with choking incidents

The practical session allowed students to actively participate and practice the techniques demonstrated, ensuring they gained valuable hands-on experience.

Special Talk on Menstruation Hygiene and Nutrition

The second part of the workshop featured a special talk by Dr. Sangita Ray Choudhuri, a renowned gynecologist. Dr. Ray Choudhuri delivered a fascinating, realistic, and highly informative speech on menstruation hygiene and nutrition. She covered various critical aspects, including:

- Importance of menstrual hygiene
- Correct use and disposal of sanitary products
- Nutritional requirements during menstruation
- Addressing myths and misconceptions surrounding menstruation

Interactive Q&A Session

Following Dr. Ray Choudhuri's talk, an interactive question-and-answer session was held. The students eagerly participated, posing various questions related to first aid and menstrual hygiene. The respected speaker provided detailed and insightful answers, further enhancing the students' understanding of these crucial topics.

Conclusion

The workshop concluded with a vote of thanks delivered by Biswajit Halder, Assistant Professor of Sanskrit and Coordinator of Students Health Home, Krishnagar Women's College. He expressed gratitude to the speakers, organizers, and participants for their enthusiastic involvement and contribution to the workshop's success.

Attendance

A total of 108 students participated in the workshop, reflecting strong engagement and interest in the topics covered.

Closing Remarks

The one-day workshop on "Sudden Hazard Hands-on First Aid Training to Deal with Situations" and "Menstruation Hygiene and Nutrition" was a highly successful event. It provided students with essential knowledge and practical skills to handle emergencies and emphasized the importance of menstrual hygiene and proper nutrition. The collaborative effort between Krishnagar Women's College and Students Health Home, Krishnagar, ensured the workshop's effectiveness and impact on the students' overall health awareness.

Awareness programme on human trafficking and cross Border

Trafficking Organised by NSS Unit, Krishnagar Women's

College

Introduction

On 6th January 2023, the NSS Unit of Krishnagar Women's College organized a seminar on awareness program on human trafficking and cross-border trafficking. The event took place at the Bina Das Memorial Hall of the college and aimed to educate the participants about the grave issue of trafficking and raise awareness about its various dimensions. The guest speaker for the event was Priyanka Malitha, the Superintendent of Police of Krishnagar.

Objectives

The main objectives of the awareness program were as follows:

- a) Educate participants about the nature and scope of human trafficking and cross-border trafficking.
- b) Create awareness about the methods used by traffickers and the vulnerabilities of potential victims. Inform participants about the legal frameworks and initiatives in place to combat trafficking.
- (c) Empower participants to recognize and report instances of trafficking.
- d) Encourage the community to come together and take preventive measures against trafficking.

Program Details

The program commenced at 12:00 PM with an opening address by the NSS Unit Acting Coordinator Aniruddha Bagchi, highlighting the importance of addressing the issue of human trafficking. The Coordinator then introduced the guest speaker, Superintendent Priyanka Malitha, who possesses extensive knowledge and experience in dealing with trafficking cases.

Guest Speaker Presentation: Superintendent Priyanka Malitha delivered an informative and engaging presentation on the subject matter. Her presentation covered the following key areas:

- a) **Definition and Types of Trafficking:** The speaker began by providing a comprehensive definition of human trafficking and its different forms, including sex trafficking, labor trafficking, and organ trafficking. She explained how these forms of trafficking exploit vulnerable individuals and violate their fundamental rights.

b) Causes and Vulnerabilities: Superintendent Malitha discussed the underlying causes and vulnerabilities that contribute to human trafficking, such as poverty, lack of education, gender inequality, and displacement. She emphasized the importance of addressing these root causes to prevent trafficking effectively.

c) Modus Operandi: The speaker shed light on the strategies employed by traffickers, including recruitment tactics, deception, coercion, and abduction. She also discussed the role of technology in facilitating trafficking and warned participants to remain cautious.

d) Legal Framework and Initiatives: Superintendent Malitha provided an overview of the legal framework in place to combat human trafficking, including relevant national and international laws. She also highlighted the role of law enforcement agencies, NGOs, and government initiatives in addressing trafficking.

e) Identifying and Reporting Trafficking: The guest speaker emphasized the importance of recognizing signs of trafficking and shared indicators that could help identify potential victims. She urged participants to report any suspicious activities or cases to the appropriate authorities promptly.

Figure: banner and snapshots of the programme.

Interactive Session

Following the presentation, an interactive session was conducted to address questions, concerns, and provide clarifications. Participants actively engaged in discussions, seeking advice on various aspects related to human trafficking and cross-border trafficking.

Conclusion

The awareness program on human trafficking and cross-border trafficking organized by the NSS Unit of Krishnagar Women's College proved to be a resounding success. Superintendent Priyanka Malitha's expertise and informative presentation effectively conveyed the seriousness of the issue. The program provided valuable insights, enabling participants to understand the complexities of trafficking and take appropriate preventive measures. The event successfully accomplished its objectives of raising awareness, educating the community, and empowering individuals to combat human trafficking.

Introduction

On 5th January 2023, the Department of Geography at Krishnagar Women’s College organized a special lecture session titled ‘Crime Against Women: Stories of Gendered Spaces.’ The event was held at Bina Das Memorial Hall, commencing at 1:00 PM. The primary aim of the lecture was to explore the concept of gendered spaces within Geography and how these spaces can influence crime against women. Additionally, the session delved into the concept of ecofeminism, examining the connections between the exploitation and degradation of the natural world and the subordination and oppression of women.

Event Details

- **Date:** 5th January 2023
- **Time:** 1:00 PM onwards
- **Venue:** Bina Das Memorial Hall
- **Topic:** Crime Against Women: Stories of Gendered Spaces
- **Speaker:** Dr. Supratim Karmakar, Assistant Professor, Department of Geography, Adamas University
- **Participants:** 54 students from various departments

Welcome Address

The session began with a welcome address from the Head of the Department of Geography, who introduced the topic and highlighted the relevance of understanding gendered spaces in relation to crime against women. The address set the stage for an engaging and thought-provoking discussion.

Keynote Speaker

Dr. Supratim Karmakar, an Assistant Professor from the Department of Geography at Adamas University, was the keynote speaker for the session. Dr. Karmakar’s expertise and research in the field of Geography and gender studies provided valuable insights into the topic.

Lecture Highlights

- **Understanding Gendered Spaces:**

- Dr. Karmakar explained the concept of gendered spaces and how geographical spaces are influenced by gender dynamics. He illustrated how certain spaces are constructed and perceived differently based on gender, and how these constructions can affect women's safety and experiences.
- **Influence of Gendered Spaces on Crime:**
 - The session explored how gendered spaces can influence crime against women. Dr. Karmakar discussed various examples and case studies that demonstrated how spatial factors contribute to the vulnerability of women in different environments.
- **Concept of Ecofeminism:**
 - Dr. Karmakar introduced the concept of ecofeminism, highlighting the intersection between the exploitation of the natural world and the oppression of women. He discussed how environmental degradation and patriarchal systems are interconnected, and how addressing one can positively impact the other.
- **Connection Between Exploitation and Oppression:**
 - The lecture addressed the broader implications of ecofeminism, emphasizing the need to recognize and challenge the systemic exploitation of both the environment and women. Dr. Karmakar presented arguments and evidence linking environmental issues with gender inequality.

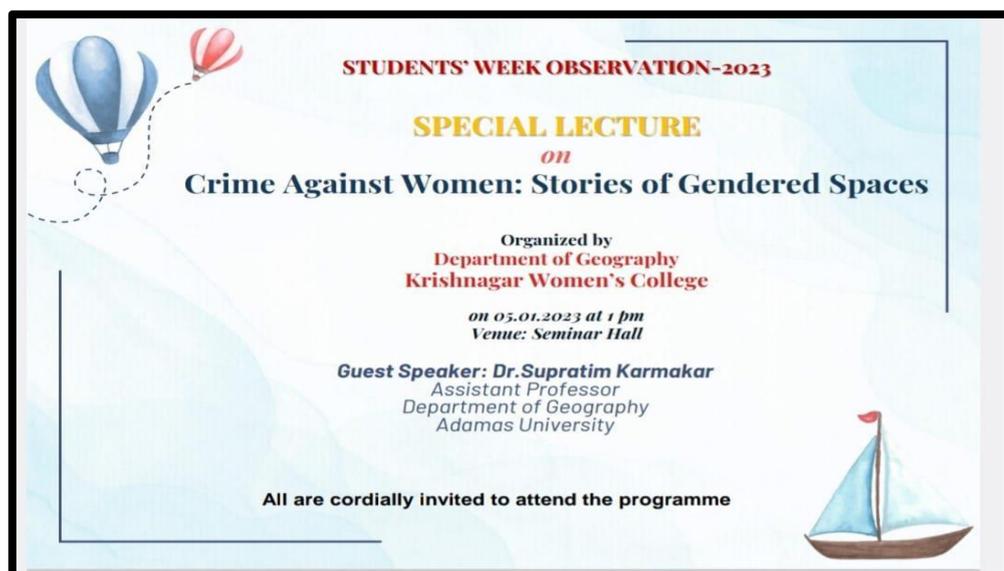

Figure 1: Flyer of the programme.

Figure 2 (a-d): Snapshots of the programme.

Interactive Session

The lecture was highly interactive, with Dr. Karmakar encouraging students to ask questions and participate in discussions. The Q&A segment allowed students to delve deeper into the topics covered, and Dr. Karmakar’s responses provided additional clarity and insights.

Participation and Engagement

The session was attended by more than 54 students from various departments of the college. The active participation and enthusiasm of the students underscored the significance of the topic and the impact of the lecture. The students gained a comprehensive understanding of how gendered spaces and ecofeminism relate to Geography and societal issues.

Conclusion

The special lecture session on 'Crime Against Women: Stories of Gendered Spaces' was a significant and successful event. Dr. Supratim Karmakar's presentation offered valuable insights into the complex relationship between gendered spaces, crime against women, and ecofeminism. The interactive nature of the session and the engagement of the students contributed to a rich learning experience.

Learning Outcomes from the COVID Pandemic Awareness Programme

The COVID Pandemic Awareness Programme at Krishnagar Women's College effectively enhanced participants' understanding of the pandemic through key insights provided by Dr. Sinjita Dutta.

Timeline and Origins: Participants learned about the chronological events and the initial cluster of pneumonia cases in December 2019, which were pivotal in identifying COVID-19.

Epidemiological Triangle: The concept of the epidemiological triangle (agent, host, and environment) was introduced, helping participants grasp the dynamics of disease spread.

Virus Variants: Attendees gained knowledge about virus mutations, understanding how some variants affect transmissibility, disease severity, and the efficacy of vaccines and treatments.

Public Health Measures: Emphasis was placed on the importance of vaccines, therapeutic medicines, and diagnostic tools in managing the pandemic.

Preparedness and Vigilance: The session encouraged ongoing vigilance and informed decision-making to effectively respond to COVID-19.

Technical Skills: Through seamless online participation and streaming, facilitated by Sri Sajal Biswas, participants experienced the efficient use of digital platforms for educational purposes.

Community Engagement: The feedback mechanism fostered community engagement and highlighted the importance of collective effort in public health education.

Overall, the programme successfully disseminated crucial information, promoting a well-rounded understanding of COVID-19 and reinforcing the importance of multidisciplinary efforts in combating the pandemic.

Conclusion:

We would like to express our sincere thanks to Dr. Natasa Dasgupta, our esteemed Principal, for her inspiring welcome address that set the tone for the event. Her commitment to promoting health education is truly commendable. The COVID Pandemic Awareness Programme organized by the COVID Care Committee of Krishnagar Women's College was a well-received event, successfully disseminating crucial information about the pandemic to its participants. The comprehensive discussion led by Dr. Sinjita Dutta enhanced understanding of the virus's behavior, the significance of variants, and the role of public health measures. The positive feedback from attendees underscores the event's success in raising awareness and educating the college community about COVID-19. The technical support provided by Sri Sajal Biswas was instrumental in ensuring the smooth execution of the event, particularly in handling certificate issues and the YouTube live stream. The COVID Pandemic Awareness Programme had a positive impact on the students who participated. They found the program to be informative, valuable, and helpful in increasing their awareness about the COVID-19 pandemic. Students appreciated the knowledge gained from the program and expressed satisfaction with the overall experience. The program not only provided information but also encouraged students to actively engage in learning and preparedness for dealing with the challenges posed by the pandemic.

Outcome of the Programme

Learning Outcomes from the COVID Pandemic Awareness Programme:

- Enhanced understanding of COVID-19's timeline, origins, and epidemiological dynamics.
- Knowledge about virus variants and their implications for transmission and vaccine efficacy.
- Importance of public health measures and community engagement in pandemic management.

Workshop on State Level Career Advancement Scheme for College Teachers

Overview:

On August 27, 2021, the Internal Quality Assurance Cell (IQAC) of Krishnagar Women's College organized a state-level workshop on the Career Advancement Scheme (CAS) for college teachers. The workshop aimed to provide detailed insights into the CAS and address the queries and concerns of faculty members regarding the scheme's intricacies and updates.

Date and Time: August 27, 2021

Organized by: Internal Quality Assurance Cell (IQAC), Krishnagar Women's College

Platform: Google Meet (<https://meet.google.com/mjx-efrk-woy>)

Organizers:

- **Smt. Bulu Modak:** Convenor, IQAC
- **Dr. Natasa Dasgupta:** Principal, Krishnagar Women's College
- **Sri Prabir Chandra Ghosh Roy:** Joint Director of Public Instruction, Government of West Bengal

Participants:

A total of 102 participants from various colleges attended the workshop. This significant turnout, especially during the ongoing COVID-19 pandemic, highlighted the importance and relevance of the workshop in addressing faculty concerns about career advancement.

Figure 1: Flyer of the webinar.

Program Highlights:

- **Inaugural Address:** The workshop began with an opening address by Dr. Natasa Dasgupta, the newly appointed Principal of Krishnagar Women's College. Her support and efforts in organizing the workshop were pivotal, including her role in inviting Sri Prabir Chandra Ghosh Roy as the chief guest on short notice.
- **Keynote Address:** The distinguished speaker, Sri Prabir Chandra Ghosh Roy, Joint Director of Public Instruction, Government of West Bengal, delivered an informative and detailed presentation on the Career Advancement Scheme. His discussion covered the following key aspects:
 - **Historical Overview:** The evolution of the CAS since its inception.
 - **Illustrative Examples:** Specific Government Orders (G.Os) such as 920 Edn (CS) dated 31.12.2011, Ed-103/2013 dated 18.02.2013, Ed 293/2013 dated 07.05.2013, and 1373 Edn (CS) dated 07.12.2017.
 - **Clarification of Doubts:** Addressing intricate issues and queries raised by participants, which helped clarify many aspects of the CAS.

Acknowledgements:

The successful organization of the workshop was made possible with the support of various individuals:

- **Smt. Bulu Modak:** Coordinated the event and played a crucial role in its organization.
- **Sri Nibhas Biswas:** Librarian, Krishnagar Women's College, contributed to the logistical aspects of the workshop.
- **Smt. Baijayanti Ghosh:** Assistant Professor in Political Science, and **Sri Sajal Biswas:** Assistant Professor in Physics, provided additional support and cooperation.

Feedback and Impact:

The workshop received positive feedback from participants, who found the program highly useful and timely. Many attendees expressed their appreciation for the clear and comprehensive explanation of the CAS, which addressed numerous uncertainties about the scheme's updates and implementation.

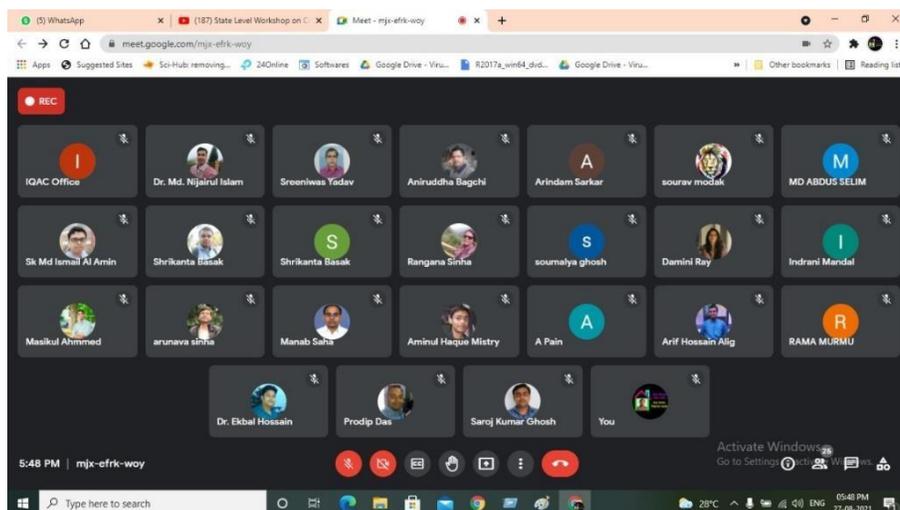

Figure 2: A screenshot of the webinar.

Conclusion:

The workshop concluded with a vote of thanks delivered by Dr. Maya Biswas Sinha, Associate Professor in Chemistry and Coordinator of IQAC. Dr. Sinha's closing remarks expressed gratitude to the distinguished speaker, participants, and the organizing team for their contributions to the workshop's success.

Recommendations for Future Workshops:

1. **Expand Topics:** Include additional sessions on related aspects of faculty development and career progression.
2. **Interactive Sessions:** Incorporate more interactive elements such as Q&A sessions and group discussions to enhance participant engagement.
3. **Regular Updates:** Conduct follow-up workshops or webinars to provide ongoing updates and support regarding the Career Advancement Scheme and other professional development topics.

This workshop was a significant step in supporting faculty members' professional growth and ensuring they are well-informed about career advancement opportunities within the academic sector.

আজ থেকেই টিকা কলেজে

নিজস্ব সংবাদদাতা

কৃষ্ণনগর

রাজ্যের অন্য প্রান্তের মতো কলেজ-কলেজে শিবির করে পড়ুয়াদের টিকাকরণ শুরু হচ্ছে নদিয়াতেও। বুধবার থেকেই জেলার বেশ কয়েকটি কলেজে এই প্রক্রিয়া শুরু হয়ে যাবে। নদিয়ার মুখ্য স্বাস্থ্য আধিকারিক স্বপন কুমার দাস বলেন, “কলেজগুলিতে আমরা শিবির করছি, সেখানে পড়ুয়াদের টিকা দেওয়া হবে। পুজোর আগেই সব পড়ুয়াকে টিকা দিয়ে ফেলার চেষ্টা করা হচ্ছে।”

অবিলম্বে শিক্ষা প্রতিষ্ঠান খোলার দাবি তুলছেন অনেকে। সরকারও এ বিষয়ে ভাবনাচিন্তা শুরু করেছে। সেই লক্ষ্যেই এই পরিকল্পনা। নদিয়ায় সরকারি এবং সরকার-পোষিত কলেজের মোট সংখ্যা ২৭। স্বাস্থ্য

দফতর সূত্রে জানা গিয়েছে, সব ক’টি কলেজেই এই শিবির হবে। ইতিমধ্যে পড়ুয়াদের তালিকা তৈরি হয়েছে।

কৃষ্ণনগর উইমেন্স কলেজ সূত্রে জানা গিয়েছে, পড়ুয়াদের আগেই ই-মেল এবং আরও নানা মাধ্যমে টিকাকরণ শিবিরের কথা জানানো হয়েছে। উইমেন্স কলেজের পড়ুয়ার সংখ্যা ৮৫২, এই বছরে নতুন ভর্তি হয়েছে ৭২৫ জন। এদের সঙ্গে কন্যাশ্রী বিশ্ববিদ্যালয়ের ২২৫ পড়ুয়াকেও টিকা দেওয়া হবে। সব মিলিয়ে গত মঙ্গলবার পর্যন্ত সাড়ে সাতশোর বেশি পড়ুয়া অনলাইনে টিকার জন্য আবেদন করেছে বলে কলেজ কর্তৃপক্ষ জানান। সকাল থেকে শুরু হয়ে শিবির চলবে বিকেল পর্যন্ত। কৃষ্ণনগর উইমেন্স কলেজের অধ্যক্ষ নাতাশা দাশগুপ্ত বলেন, “টিকাকরণের সময় করোনা বিধি মানার উপরেও জোর দেওয়া হচ্ছে।”

On-line invited Lecture by Prof. Riddhi Shah, Department of Mathematics, JNU

Event Overview:

On October 4, 2021, the Department of Mathematics at Krishnagar Women's College organized an online lecture titled "Glimpses into the World of Dynamics." The lecture, delivered by Professor Riddhi Shah, provided an in-depth exploration of the field of dynamics, offering valuable insights into its applications and theoretical underpinnings.

Date and Time: October 4, 2021

Platform: Google Meet (<https://meet.google.com/cje-aqph-zga>)

Total Number of Participants: 47

Organizers:

- **Dr. Arindam Sarkar:** Head of the Department of Mathematics, Krishnagar Women's College, who conducted the seminar.
- **Dr. Natasa Dasgupta:** Principal, Krishnagar Women's College, who delivered the welcome address.
- **Dr. M. Roy:** President, Governing Body, Krishnagar Women's College, who graced the occasion with his presence.
- **Dr. Maya Biswas Sinha:** Coordinator, IQAC, Krishnagar Women's College, who gave the concluding remarks and vote of thanks.
- **Shri Sajal Biswas:** TCS, Krishnagar Women's College, who also attended the seminar.

Lecture Details:

- **Speaker:** Professor Riddhi Shah
- **Topic:** “Glimpses into the World of Dynamics”
- **Description:** Professor Shah’s lecture offered a comprehensive view into the dynamic systems, covering both theoretical aspects and practical applications. The session was designed to enhance the understanding of dynamics among participants and stimulate interest in further study and research in the field.

Figure: Snapshot of the programme.

Attendance:

The lecture was attended by a diverse audience including all students of the Department of Mathematics at Krishnagar Women's College and several undergraduate mathematics students from surrounding colleges. The total number of participants was 47.

Program Highlights:

- **Welcome Address:** Dr. Natasa Dasgupta, the Principal of Krishnagar Women's College, warmly welcomed the participants and set the tone for the lecture.
- **Lecture Delivery:** Professor Riddhi Shah provided a detailed and engaging presentation on dynamics, incorporating various examples and illustrations to elucidate complex concepts.
- **Concluding Remarks:** Dr. Maya Biswas Sinha, Coordinator of IQAC, concluded the session with a vote of thanks, expressing gratitude to Professor Shah for his enlightening presentation and to all participants for their attendance.
- **Additional Attendees:** Shri Sajal Biswas, TCS, and Dr. S. S. Mandal, Assistant Professor of Mathematics at Krishnagar Women's College, also joined the seminar.

Feedback and Impact:

The lecture was well-received by the participants, who appreciated the depth of knowledge shared by Professor Shah. The session was instrumental in providing valuable insights into dynamics, fostering a greater interest in the subject among students. The engagement of students from surrounding colleges further indicated the lecture's broad appeal and relevance.

Recording:

For those interested in revisiting the lecture, the entire session is available online. The lecture can be viewed at the following link: [Watch the Lecture](#).

Conclusion:

The lecture "Glimpses into the World of Dynamics" was a significant academic event, successfully organized by the Department of Mathematics at Krishnagar Women's College. The event not only highlighted the importance of dynamics but also provided a platform for scholarly interaction and learning. The presence of esteemed guests and the active participation of students contributed to the overall success of the seminar.

The successful execution of this lecture exemplifies the commitment of Krishnagar Women's College to enhancing academic discourse and providing valuable learning opportunities for its students and the wider academic community.

Workshop Details:

The workshop provided a comprehensive introduction to Q-GIS applications, focusing on various key aspects of geographic information systems. The topics covered included:

- **Georeferencing of Maps:** Techniques to align maps with spatial coordinates to ensure accuracy.
- **Digitization of Features:** Converting physical maps into digital format, including point, line, and polygon features.
- **Data Attachment and Overlay:** Integrating and overlaying different datasets to create informative maps.

- **Preparation of Thematic Maps:** Creating bar graphs, pie charts, and choropleth maps to visualize geographic data.
- **Preparation of FCC (False Color Composite):** Using IRS-LISS-III and/or LANDSAT (ETM+) data to create composite images.
- **Preparation of LULC (Land Use/Land Cover) Maps:** Performing supervised image classification (Maximum Likelihood) using IRS LISS-III and/or LANDSAT (ETM+) data to analyze land use and cover changes.

Coverage and Content:

The workshop was structured to provide both theoretical knowledge and practical skills, enabling students to effectively use Q-GIS for their geographic studies. Each session was conducted from 3:00 PM to 5:00 PM, ensuring an in-depth exploration of the topics and ample time for hands-on practice.

The West Bengal Student Credit Card scheme

Event Overview:

Krishnagar Women's College organized an awareness camp on the West Bengal Student Credit Card scheme to inform and assist students in understanding and utilizing the scheme for their higher education needs. The camp was held over two days, on December 20 and December 27, 2021, providing students with comprehensive information about the scheme and its benefits.

Date and Time:

- **First Day:** December 20, 2021, Monday
- **Second Day:** December 27, 2021, Monday

Location:

- Krishnagar Women's College, Arvind Sarani, Krishnagar, Nadia

Figure 1: Flyer of the programme.

Objective:

The primary objective of the awareness camp was to familiarize students with the West Bengal Student Credit Card scheme, which offers financial support for higher education. The camp aimed to address students' queries, provide detailed information about the scheme, and ensure that students can take full advantage of this opportunity.

Participants:

- **Total Attendance:** Approximately 250 students over the two days

Program Details:

- **Informative Sessions:** The camps included detailed presentations about the West Bengal Student Credit Card scheme, covering its purpose, eligibility criteria, application process, and benefits.
- **Interactive Discussions:** Students had the opportunity to engage directly with facilitators, ask questions, and clarify doubts regarding the scheme.
- **Assistance and Guidance:** Efforts were made to address specific queries from students and guide them through the process of applying for the credit card.

Highlights:

- **High Engagement:** The active participation of around 250 students reflected strong interest in the scheme and its benefits.
- **Interactive Format:** The interactive nature of the camps allowed students to have direct interactions with the facilitators, making the sessions more effective and engaging.
- **Positive Feedback:** The feedback from students indicated that they found the camps both informative and helpful, with many expressing appreciations for the clear explanations and the opportunity to have their questions answered.

Conclusion:

The awareness camps on the West Bengal Student Credit Card scheme were a success, providing valuable information and guidance to students. The two-day event effectively addressed students' queries and equipped them with the necessary knowledge to benefit from the scheme.

Acknowledgements:

- **Facilitators:** For their comprehensive presentations and interactive sessions.

Program Background:

The program commenced with an inaugural speech by Dr. Natasa Dasgupta, the Honourable Principal of Krishnagar Women's College. Dr. Dasgupta addressed the challenges of securing employment in the current competitive job market, both in the government and private sectors. Her speech highlighted the importance of such placement initiatives in empowering women and enhancing their career opportunities.

During the interviews held on the 16th and 17th February, approximately 200 6th-semester students from various departments participated. The interviews were conducted by SBI Life agents, who evaluated the candidates based on their skills and potential.

On the concluding day, 19th February, a total of 45 students were provisionally selected. These students proceeded with the counseling and document verification process to finalize their placement.

Conclusion:

The "Project Shakti" placement program successfully provided a platform for female students to advance their careers and become an integral part of the workforce. The initiative received positive feedback from both the participants and the organizing team, underscoring its impact on empowering women and supporting their professional growth.

Acknowledgments:

We extend our gratitude to SBI Life for their collaboration and support, and to all the participants for their enthusiastic involvement. Special thanks to Dr. Natasa Dasgupta and the Career Counselling Cell for their efforts in making this program a success.

Overview: The NSS Unit of Krishnagar Women's College organized its inaugural webinar titled "Awareness Programme on Mosquito-Borne Diseases" on August 25, 2020. This initiative aimed to educate participants about the prevention and management of diseases transmitted by mosquitoes, such as dengue fever, malaria, and chikungunya.

Participation: The webinar was well-attended, with over 100 participants joining the session via the Google Meet platform. The attendees included students from various disciplines, faculty members, and staff, highlighting the widespread interest and concern about mosquito-borne diseases within the college community.

Inauguration: The event was honored by the presence of key dignitaries:

- **Dr. Manojit Ray:** President of the Governing Body of Krishnagar Women's College, who extended his support and provided opening remarks.
- **Smt. Bijali Bhattacharya:** Teacher in Charge, who also participated in the inauguration, emphasizing the importance of such educational programs.

Resource Persons: The webinar featured two esteemed experts in the field:

- **Dr. Sayan Bhattacharya:** Assistant Professor in the Department of Microbiology at the All India Institute of Hygiene and Public Health (AIIHPH), Kolkata. Dr. Bhattacharya's expertise in microbiology provided valuable insights into the biology and control of mosquito-borne pathogens.
- **Dr. Deratna Mukhopadhyay:** Faculty Member in the Department of Zoology at Barrackpore Rastraguru Surendranath College. Dr. Mukhopadhyay's knowledge in zoology contributed to understanding the life cycle of mosquitoes and effective control measures.

Content of the Webinar:

1. Introduction to Mosquito-Borne Diseases:

- The resource persons introduced the major mosquito-borne diseases, including malaria, dengue fever, chikungunya, and Zika virus. They discussed the symptoms, transmission mechanisms, and impacts of these diseases on public health.

2. Prevention and Control Measures:

- Detailed strategies for preventing mosquito bites were presented, including the use of mosquito repellents, proper use of mosquito nets, and maintaining clean environments to eliminate breeding sites.
- The experts highlighted the importance of community participation in controlling mosquito populations and implementing environmental management practices.

3. **Health and Hygiene:**

- Emphasis was placed on the role of personal hygiene and community health in preventing the spread of mosquito-borne diseases. The resource persons provided practical advice on maintaining cleanliness and addressing stagnant water sources.

4. **Q&A Session:**

- An interactive Q&A session followed the presentations, allowing participants to seek clarifications and discuss specific concerns related to mosquito-borne diseases. The resource persons addressed various queries, providing practical solutions and guidance.

Conclusion:

The “Awareness Programme on Mosquito-Borne Diseases” proved to be an informative and impactful event. It successfully engaged participants in learning about crucial health issues and preventive measures against mosquito-borne diseases. The insights shared by the experts were highly beneficial for both students and faculty members, equipping them with knowledge to contribute to community health and safety.

Outcome of the Programme

Outcome of the programme are as follows:

- Increased awareness about mosquito borne diseases and their prevention strategies.
- Empowered participants, including students and faculty, with practical knowledge and resources.
- Laid groundwork for future educational initiatives on health-related topics and community health awareness.
